FOR WOMEN

PROJECT TITLE

Employee Performance Analysis using Excel

AGENDA

1.Problem Statement
2.Project Overview
3.End Users
4.Our Solution and Proposition
5.Dataset Description
6.Modelling Approach
7.Results and Discussion
8.Conclusion

PROBLEM STATEMENT

A problem statement is a concise description of a problem or issue that needs to be addressed. It can help ensure that everyone working on a project understands what the problem is and why it's important.

PROJECT OVERVIEW

The primary goal is to provide comprehensive career guidance, skill development, and job placement support to students and job seekers in Tamil Nadu. The initiative aims to enhance employability and bridge the gap between education and employment by equipping individuals with the skills and knowledge needed to succeed in the job market.

WHO ARE THE END USERS?

1. Students

2. Recent Graduates:

University Graduates

Diploma Holders

3. Job Seekers:

Unemployed Individuals

Career Changers

4. Individuals Seeking Skill Development:

Skill Enhancement

Certifications

5. Industry Partners:

Employers and Companies

6. Educational Institutions:

Schools and Colleges

Training Centers

7. Career Counselors and Trainers

OUR SOLUTION AND ITS VALUE PROPOSITION

Our Solution:

Comprehensive Career Guidance
Online Platform
Industry Collaboration

Value Proposition:

Bridging the Skills Gap

Providing Access to Opportunities

Enhancing Career Readiness

Dataset Description

A dataset description provides an overview of the data that will be used in a project or initiative. The dataset description would likely cover various types of data collected and utilized to support career guidance, skill development, and job placement. Here's a detailed outline for a dataset description relevant to this initiative

THE "WOW" IN OUR SOLUTION

The "WOW" factor in the **Naan Mudhalvan** initiative lies in its innovative and impactful approach to career development and job placement. Here's what makes the solution stand out:

1. Integrated Ecosystem
2. Personalized Career Guidance

MODELLING

1. **Career Pathway Modelling**

2. **Skill Development and Training Modelling**

3. **Job Placement and Matching Modelling**

4. **Program Effectiveness Modelling**

5. **Participant Engagement and Retention Modelling**

RESULTS

The **results** of the **Naan Mudhalvan** initiative would encompass the impact and outcomes of its various programs and strategies. Here's a detailed overview of the potential results and how they could be measured:

1. Increased Employability

2. **Enhanced Skill Development**

3. **Participant Satisfaction**

conclusion

Naan Mudhalvan represents a significant stride towards transforming career development and job placement services in Tamil Nadu. As a comprehensive initiative designed to bridge the gap between education and employment, its impact extends across various dimensions
